Application for Court Order To Produce Lucio Celli's Records

Judge Orenstein:

We are conducting an investigation of Mr. Celli's medical history in order to better-identify his treatment needs. In pursuing this investigation, we requested records from the [REDACTED] [REDACTED] on December 10, 2018 and have not yet received a response. To ensure that we have a complete set of records as soon as possible, we are seeking the Court's assistance and request that the Court sign the enclosed proposed order requiring [REDACTED] to provide records relating to Mr. Celli.

Thank you for your attention to this matter.

Respectfully submitted,
